Subject: steering committee meeting agreement

All agreed to the following during the steering committee meeting On July 9, 2013

- 1) the initial AN protocol was ruled no longer valid**
- 2) the AN protocol to be used was the one set up during the meeting**
This was the protocol that was developed along with advice from Dr. Andy Armstrong

a spread sheet of the samples number will be placed on the web site

- 2a) the three tanks with liquid will be sampled into liter containers per dr Armstrong's recommendations**

- 3). future protocols will be sent out with 72 hours allowed for response**
all additional will be added to a spread sheet which will discuss
additions added to the protocol
additions not added to the protocol and for what reason
Following that process the steering committee with have a
conferences call to discuss further

- 4) A request was made to move the large slabs**

these slabs will be photo documented and the photos on the web site

***this request was made by A plaintiff's group. This may require an agreement for payment of the range and operator made amongst the attorneys.**

5) The bone yards will be moved to the gravel and marked for touching documenting etc.

this will be secured Thursday or Friday

6) the main 480 cable will be moved, measured and placed on the gravel to the bone yard items.

7) SEA will provide a drawing with the dimensions of the structures and those dimensions will be used to paint the outline of the fertilizer building for the aerial photograph that will be taken today at about 3 p.m.

Sent from my mobile device, please excuse any grammatical errors.

Respectfully Submitted,
